## ? Are you getting ready for Home Coming Day ?

### I have now resumed the management of the Coalville Opera House

It has had its spring house-cleaning and is now a clean, cool place in which to enjoy an evening's entertainment.

**Q** The Vibrating Spring Maple Floor has been rubbed and polished, and is now better than ever, and guarantees it to be equal to any in the state. There will be a DANCE or Other Entertainment Every Saturday Night. Commencing May 21st, and until Sept. 1st, will commence at 9 o'clock. After that date will commence at 8:30 sharp.

My aim will be to keep good order and always give you the worth of your money. Old as well as young will be looked after.

GEORGE BEARD, Manager.

## Coal...

Weber Coal spells economy. Try a ton. It will do a ton's work. Do not take any chances this season in the matter of fuel. Coal that produces the greatest amount of heat; coal that burns to the last ounce; coal that is all coal, and the ash of which is evidence of its heat energy--that's the kind of coal we sell.
